

# LOCKDOWN PROCEDURE

Our Service is committed to the ongoing safety and wellbeing of children, staff, families and visitors. To achieve this, we will implement a clear plan to manage all emergency situations, including a plan for emergencies that may require our Service to go into lockdown and ensure our educators and staff are well equipped with the knowledge and expertise to respond effectively when required.

Working in conjunction with the *Emergency Evacuation Policy* and *Lockdown Policy*, this procedure provides detailed steps for educators to follow if there has been an identified external or imminent danger to the children and a lockdown is required.
